

Bright Futures Previsit Questionnaire Older Child/Younger Adolescent Visits

For us to provide you with the best possible health care, we would like to get to know you better and know how things are going for you. Our discussions with you are private. We hope you will feel free to talk openly with us about yourself and your health. Information is not shared with other people without your permission unless we are concerned that someone is in danger. Thank you for your time.

What changes or challenges have there been at home since last year? Do you live with anyone who uses tobacco or spend time in any place where people smoke? No Yes	What would you like to talk about today?

GROWTH AND

Bright Futures Patient Handout Early Adolescent Visits

Your Growing and Changing Body

- Brush your teeth twice a day and floss once a day.
- Visit the dentist twice a year.
- Wear your mouth guard when playing sports.
- Eat 3 healthy meals a day.
- Eating breakfast is very important.
- Consider choosing water instead of soda.
- Limit high-fat foods and drinks such as candy, chips, and soft drinks.
- Try to eat healthy foods.
 - 5 fruits and vegetables a day
 - 3 cups of low-fat milk, yogurt, or cheese
- Eat with your family often.
- Aim for 1 hour of moderately vigorous physical activity every day.
- Try to limit watching TV, playing video games, or playing on the computer to 2 hours a day (outside of homework time).
- Be proud of yourself when you do something good.

Healthy Behavior Choices

- Find fun, safe things to do.
- Talk to your parents about alcohol and drug
 use
- Support friends who choose not to use tobacco, alcohol, drugs, steroids, or diet pills.
- Talk about relationships, sex, and values with your parents.
- Talk about puberty and sexual pressures with someone you trust.
- Follow your family's rules.

How You Are Feeling

- Figure out healthy ways to deal with stress.
- Spend time with your family.

WELL-BEING

ACADEMIC COMPETENCE

- Always talk through problems and never use violence.
- · Look for ways to help out at home.
- It's important for you to have accurate information about sexuality, your physical development, and your sexual feelings.
 Please consider asking me if you have any questions.

School and Friends

- Try your best to be responsible for your schoolwork.
- If you need help organizing your time, ask your parents or teachers.
- Read often.
- Find activities you are really interested in, such as sports or theater.
- · Find activities that help others.
- Spend time with your family and help at home.
- Stay connected with your parents.

Violence and Injuries

- Always wear your seatbelt.
- Do not ride ATVs.

VIOLENCE AND INJURY PREVENTION

- Wear protective gear including helmets for playing sports, biking, skating, and skateboarding.
- Make sure you know how to get help if you are feeling unsafe.
- Never have a gun in the home. If necessary, store it unloaded and locked with the ammunition locked separately from the gun.
- Figure out nonviolent ways to handle anger or fear. Fighting and carrying weapons can be dangerous. You can talk to me about how to avoid these situations.
- Healthy dating relationships are built on respect, concern, and doing things both of you like to do.

Bright Futures Parent Handout Early Adolescent Visits

Here are some suggestions from Bright Futures experts that may be of value to your family.

Your Growing and Changing Child

- Talk with your child about how her body is changing with puberty.
- Encourage your child to brush his teeth twice a day and floss once a day.
- Help your child get to the dentist twice a year.
- Serve healthy food and eat together as a family often.
- Encourage your child to get 1 hour of vigorous physical activity every day.
- Help your child limit screen time (TV, video games, or computer) to 2 hours a day, not including homework time.
- Praise your child when she does something well, not just when she looks good.

Healthy Behavior Choices

- Help your child find fun, safe things to do.
- Make sure your child knows how you feel about alcohol and drug use.
- Consider a plan to make sure your child or his friends cannot get alcohol or prescription drugs in your home.
- Talk about relationships, sex, and values.
- Encourage your child not to have sex.
- If you are uncomfortable talking about puberty or sexual pressures with your child, please ask me or others you trust for reliable information that can help you.
- Use clear and consistent rules and discipline with your child.
- Be a role model for healthy behavior choices.

Feeling Happy

- Encourage your child to think through problems herself with your support.
- Help your child figure out healthy ways to deal with stress.
- Spend time with your child.
- Know your child's friends and their parents, where your child is, and what he is doing at all times.
- Show your child how to use talk to share feelings and handle disputes.
- If you are concerned that your child is sad, depressed, nervous, irritable, hopeless, or angry, talk with me.

School and Friends

- Check in with your child's teacher about her grades on tests and attend back-to-school events and parent-teacher conferences if possible.
- Talk with your child as she takes over responsibility for schoolwork.
- Help your child with organizing time, if he needs it.
- Encourage reading.

COMPETENCE

ACADEMIC

SOCIAL AND

- Help your child find activities she is really interested in, besides schoolwork.
- Help your child find and try activities that help others.
- Give your child the chance to make more of his own decisions as he grows older.

Violence and Injuries

- Make sure everyone always wears a seat belt in the car.
- Do not allow your child to ride ATVs.

/IOLENCE AND INJURY PREVENTION

- Make sure your child knows how to get help if he is feeling unsafe.
- Remove guns from your home. If you must keep a gun in your home, make sure it is unloaded and locked with ammunition locked in a separate place.
- Help your child figure out nonviolent ways to handle anger or fear.
